Food-o-Holic

OVERVIEW

Food-o-holics" game event will likely be centered around culinary themes, challenges, and food-related activities. Participants will be given real-life tasks such as food quizzes, and challenges that test their knowledge of different cuisines and teamwork. Food-o-Holics allows you to Embrace your inner foodie and savor every flavor.

The participants must come in a group of 4 people, and they must clear the given rounds while following the rules.

Round 1:- Lord of Buns

Sub-round 1: one person of a team is going to pull the hanging buns (his or her hands will be tied). and will pass to the second member and that member will have to put the bun in a box (his or her hands will also be tied). The team who will collect the max buns in a time limit of 2 min lead to the Buffer round.

Buffer round:- Burst the balloon.

The teams who qualify for this round will go against each other for a rapid quiz competition . The riddle will be on food items. Team who will guess right will get points. if the team give incorrect answer, they have to eat a chilly. Teams who will qualify this round with max points will lead towards round 2.

Round 2 :- Khao to jane.

This round will contain a game of three legged race team has to reach table where they have to finish 2 glass of neem juice and 2 chillies along with 2 garlic petals. Qualifying teams will be decided by time.

Round 3 :-Desert Dash

Round 2 qualified teams will finally enter this round Each team will be given 1 kg of shrikhand and only 2 members of each team have to finish it. And other two have to help them as the ones who eat shrikhand have to leak it and not use their hand Team who will finish first will win
