CODEVENTURE

OVERVIEW:

Calling all Coding Enthusiasts!

This event will challenge your coding skills and ignite your analytical brilliance!

Join us for an exhilarating event filled with eccentric questions, mind-bending challenges, and a potpourri of coding conundrums.

Conquer your opponents with your coding skills and win exciting prizes.

DESCRIPTION:

- **Round 1: BUG-TRAP (Eliminator-Round) :**

This round will be a debugging round where your swiftness along with syntax knowledge will be tested.

- **Round 2: RE-CODE (Final Round) :**

A hardcore competitive coding round, it will drill through Mathematical Computation, Data structures, Algorithms, string handling, and much more .

RULES:

- Codeventure is a solo event.
- No barrier to the choice of programming language.
- Since this is a coding competition, the use of a PC is mandatory.
- A good network connection is expected for the competition. Issues regarding network problems will not be entertained.
- The decision of the organizers shall be treated as final and binding to all.

ENTRY FEES:

Rs. 49/- for individual entry

PRIZE POOL:

Worth 5K + Internship opportunities
